CINEVERSE

Film Festival 2k26

(Oct-5-12)

REPORT

Organised by

IT CLUB GCPE

INTRODUCTION

CINEVERSE Film Festival 2026 was organised by the IT Club o**f** the Government College of Physical Education, Kozhikode. The festival was conducted as a five-day programme with the aim of bringing students together through cinema and creating an enjoyable atmosphere on campus. It was an initiative to make college life more active and engaging by providing students with an opportunity to enjoy films beyond their regular academic activities.

Cinema is an important part of our everyday life, offering entertainment and presenting different stories, emotions, and experiences. With this idea, **CINEVERSE** was planned as a platform where students could come together, watch films, and share the experience with their friends and classmates. The festival also helped create a friendly atmosphere among students from different classes and encouraged their participation in a common programme.

The festival featured five movies:

1. **MAIDAAN**
2. **ENGLISH VINGLISH**
3. **REAL STEEL**
4. **CHATHIKKATHA CHANDHU**
5. **THATTATHIN MARAYATHU**

These films were screened over the course of the festival, offering students a variety of cinematic experiences. The screenings provided an opportunity for students to spend time

together, enjoy their favourite films, and experience a theatre-like atmosphere within the college auditorium.

The organisation of **CINEVERSE** required planning, coordination, and teamwork. The IT Club members took responsibility for various arrangements related to the programme, with the support and cooperation of the college authorities, teachers, staff, students, and sponsors. Their collective efforts contributed to the smooth conduct of the festival. The event also gave the organising team practical experience in managing a college programme, coordinating responsibilities, and working together towards a common goal.

CINEVERSE Film Festival 2026 was more than just a series of movie screenings. It was an opportunity to bring students together, encourage active participation in college activities, and create enjoyable moments within the campus community. The festival reflected the importance of teamwork and student initiatives in organising cultural and recreational programmes at the college.

OBJECTIVES OF THE FILM FESTIVAL

1. **To provide entertainment:** To give students an opportunity to enjoy movies together and take a break from their regular academic activities.
2. **To encourage student participation:** To involve students in college-level cultural and recreational activities.
3. **To promote teamwork:** To develop cooperation, coordination, and a sense of responsibility among IT Club members through the planning and organisation of the festival.
4. **To create a friendly campus atmosphere:** To bring students from different classes together and encourage social interaction through shared movie screenings.
5. **To encourage extracurricular activities:** To highlight the importance of activities beyond academics in making college life more engaging and enjoyable.
6. **To strengthen college relationships:** To encourage cooperation among students, teachers, staff, college authorities, and sponsors through a common college event.
7. **To develop organisational skills:** To give the organising team practical experience in event planning, time management, coordination, and programme execution.
8. **To appreciate cinema:** To provide students with an opportunity to experience and appreciate films as a form of entertainment and storytelling.

INAUGURATION CEREMONY

The inauguration ceremony of **CINEVERSE** Film Festival 2026, organised by the IT Club of the Government College of Physical Education, Kozhikode, was held on **7 October 2026 at 5:45 PM in the college auditorium.**

The programme was anchored by **Aneesha Ismail,** who coordinated the proceedings of the ceremony**. Navya K**. delivered the welcome speech, extending a warm welcome to the chief guest, principal, teachers, staff, students, and other attendees.

The ceremony was inaugurated by **Smt. Sreeja Suresh, Cooperation Councillor, Kozhikode**, marking the official beginning of the film festival. The programme was held in the presence of **Prof.Dr.Biju Lona K,** Principal of the Government College of Physical Education.

Dr. Sreenath S. delivered the presidential address, highlighting the importance of organising such programmes in college and encouraging students to participate in extracurricular activities. The ceremony was attended by college authorities, teachers, staff, IT Club members, and students.

The ceremony concluded with a vote of thanks delivered by **Saad Abdurahman**, who expressed gratitude to the chief guest, principal, college authorities, teachers, staff, students, sponsors, and IT Club members for their support and cooperation in organising the festival.

DAY 1 – MOVIE SCREENING: MAIDAAN

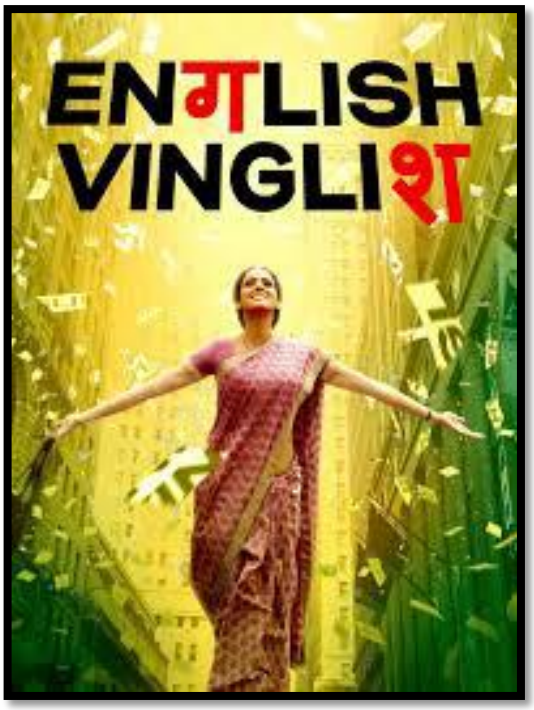

The first day of **CINEVERSE** Film Festival 2026 featured the screening of ***Maidaan***, a sports drama based on Indian football. The screening was held at the college auditorium and witnessed the participation of students and the presence of faculty members, including **Dr. Sreenath S., Nithin Rajan Sir,** and **Vibin Sir.**

The movie created an engaging atmosphere among the audience, especially during the emotional and crucial moments of the football matches portrayed in the film. The intense match sequences, dramatic turning points, and emotional scenes captured the attention of the students. Some scenes received enthusiastic applause from the audience, while the emotional moments made a strong impression on the viewers.

As the film highlighted the struggles, dedication, and determination involved in football, it was particularly interesting for students with an interest in sports. The audience responded enthusiastically to several key moments, making the screening an enjoyable shared experience.

Overall, the screening of ***Maidaan*** marked an engaging start to **CINEVERSE** Film Festival 2026. The combination of football, emotions, and powerful match sequences made the first day's screening an enjoyable experience for the students and set a positive tone for the remaining days of the festival.

DAY 2 – MOVIE SCREENING: ENGLISH VINGLISH

The second day of **CINEVERSE** Film Festival 2026 featured the screening of *English Vinglish*, a film that highlights the importance of self-respect, family relationships, and personal growth. The screening was attended by **Prof. Dr. Biju Lona K**, Principal of the Government College of Physical Education, **Dr. Sreenath S**., and staff member **Shiji**, along with students.

The film created a positive and motivating atmosphere among the audience. Through the story of a woman who faces difficulties because of her limited English-speaking skills, the movie highlighted the importance of confidence, self-improvement, and treating every individual with respect. It also encouraged the audience to reflect on the importance of consideration and support within family relationships.

To make the screening more enjoyable, popcorn was provided to the students during the movie, and refreshment drinks were served during the interval. These arrangements added to the overall movie-watching experience.

Following the screening, Prof. Dr. Biju Lona K shared his review of the film with the students. He discussed how the main character was treated within her family and how the lack of appreciation and consideration affected her confidence. He also spoke about how these experiences motivated her to learn English and improve herself. His review encouraged students to think about the importance of understanding, respecting, and supporting family members.

Students **Uthara and Anna Tess** also shared their reviews and perspectives on the film. Their responses added to the discussion and encouraged reflection on the film's messages about self-respect, family relationships, and the importance of learning.

Overall, the screening of ***English Vinglish*** was a meaningful and motivating experience for the students. The combination of the film, refreshments, and review session made the second day of **CINEVERSE** an opportunity to enjoy cinema and reflect on the values of respect, empathy, confidence, and continuous learning.

DAY 3 – MOVIE SCREENING: REAL STEEL

The third day of **CINEVERSE** Film Festival 2026 featured the screening of *Real Steel*, a science-fiction sports drama that combines boxing, technology, and the relationship between a father and his son. The film portrays a future where human-controlled robots compete in boxing matches and conveys meaningful messages about determination, teamwork, hope, and family relationships.

As on the previous days, popcorn was provided to students during the screening, and refreshment drinks were served during the interval. These arrangements helped make the movie-watching experience more enjoyable for the audience.

The film offered students a different cinematic experience through its exciting robot boxing matches, emotional moments, and inspiring message. The story highlighted the importance of perseverance, trust, and the bond between a father and his son. Its combination of sports and science fiction added variety to the festival's movie selections.

Overall, the third day continued the **CINEVERSE** Film Festival programme with an entertaining sports-themed science-fiction film. The screening provided students with an opportunity to enjoy a different genre of cinema and spend time together as part of the festival.

DAY 4– MOVIE SCREENING: CHATHIKKATHA CHANDHU

The fourth day of the **CINEVERSE** Film Festival featured the popular Malayalam comedy entertainer ***Chathikkatha Chanthu*.** The movie created a lively and enjoyable atmosphere among the students with its humour, entertaining storyline, and memorable comic moments. The screening provided a wonderful opportunity for students to relax, laugh, and enjoy the film together. Popcorn was distributed to the students to enhance the movie-watching experience, while refreshments were served during the interval. The combination of comedy, entertainment, popcorn, and refreshments made the fourth day an enjoyable and refreshing experience for everyone.

Overall, Day 4 was filled with laughter, joy, and relaxation. ***Chathikkatha Chanthu*** proved to be an excellent choice for the festival, offering students a refreshing break from their daily academic routines and creating wonderful shared memories through cinema.

DAY 5 – FINAL MOVIE SCREENING: THATTATHIN MARAYATHU

The fifth and final day of **CINEVERSE** Film Festival 2026 featured the screening of ***Thattathin Marayathu*****,** a popular Malayalam romantic musical film. As the concluding screening of the festival, the programme attracted a larger audience than on the previous days. Students gathered in the college auditorium and enthusiastically enjoyed the movie, creating a lively and cheerful atmosphere.

As part of the arrangements, popcorn was provided to students during the screening, and refreshments were served during the interval. These arrangements added to the enjoyment of the final day's programme and made the screening more engaging for the audience.

After the movie, students **Vishnu, Nirajan, and Amal** shared their reviews and expressed their opinions about the film. Their participation provided an opportunity for students to discuss the movie and share their perspectives. The students also appreciated the efforts of the IT Club in organising the five-day film festival and spoke about the club's contribution to creating an enjoyable and engaging experience for the college community.

Overall, the final day was filled with excitement, active participation, and enjoyment. The enthusiastic response from the students and their appreciation of the **IT Club's** efforts made the screening of ***Thattathin Marayathu*** a fitting conclusion to **CINEVERSE** Film Festival 2026. The festival successfully brought students together through cinema and provided a memorable experience for the college community.

CLOSING CEREMONY

The closing ceremony of **CINEVERSE** Film Festival 2026 was held on 12 October 2026 at 5:45 PM in the college auditorium of the Government College of Physical Education, Kozhikode. The ceremony marked the successful conclusion of the five-day film festival organised by the college **IT Club.** The programme was attended by special guest **Muhammed Jaz, CEO and Founder of Metaonus Pvt. Ltd., Prof. Dr. Biju Lona K, Principal of the college,** faculty members, staff, and students.

The ceremony began with the anchoring by **Navya K**, who coordinated the proceedings and welcomed the gathering. This was followed by the welcome speech delivered by **Unais**, who extended a warm welcome to the special guest, the Principal, faculty members, staff, and students.

As part of the programme, Muhammed Jaz was honoured with a memento in recognition of his presence and contribution to the occasion. **Muhammed Jaz** spent some time interacting with the students and sharing insights into the IT field and his professional career. The students actively participated in the interaction by asking questions about his career journey, experiences, and opportunities in the IT industry. His interaction provided students with an opportunity to learn from his experiences and gain a better understanding of professional life in the IT sector.

The programme also acknowledged and appreciated the efforts of the IT Club in organising the five-day film festival. The teamwork, cooperation, and dedication of the club members were recognised as important contributions to the successful conduct of **CINEVERSE**.

The vote of thanks was delivered by **Aiwin Charley K C,** who expressed gratitude to the special guest, the Principal, faculty members, staff, students, and everyone who contributed to the event.

The closing ceremony concluded on a positive note, marking the end of five days of cinema, entertainment, learning, and student interaction. **CINEVERSE** Film Festival 2026 provided students with an opportunity to enjoy films together, interact with an industry professional, and strengthen the spirit of teamwork and cooperation within the college community.

FINANCIAL REPORT

CINEVERSE Film Festival 2026
Organised by the IT Club, Government College of Physical Education, Kozhikode

The financial management of **CINEVERSE** Film Festival 2026 was carried out by the IT Club with proper planning and coordination. The funds received through sponsorships and other available resources were utilised to meet the expenses associated with organising the five-day film festival.

The major expenses included screen arrangements, refreshments for students, fuel expenses, and the memento presented to the special guest during the closing ceremony. The IT Club coordinated the financial activities and managed the available funds to support the smooth conduct of the festival.

Despite the various expenses involved in organising the programme, the financial matters were managed through the available resources and necessary arrangements. The cooperation and support received from the college, students, sponsors, and IT Club members contributed to the successful management of the festival.

Overall, the IT Club made efforts to ensure the effective utilisation of available resources and the smooth financial management of **CINEVERSE** Film Festival 2026.

	TOTAL	**8447/-**

OUTCOMES

The **CINEVERSE** Film Festival 2026, organised by the **IT Club** of the Government College of Physical Education, Kozhikode, was a valuable initiative that brought students together through cinema. The five-day programme provided an opportunity for students to watch movies collectively, share their opinions, and participate in an engaging extracurricular activity within the college campus.

The festival featured five movies from different genres: ***Maidaan, English Vinglish, Real Steel, Chathikkatha Chanthu,*** **and** ***Thattathin Marayathu*****.** Each screening offered a different movie-watching experience. The film reviews and discussions encouraged students to express their views and understand the messages conveyed through cinema. Although the response varied from one movie to another, the programme introduced students to different styles of filmmaking and storytelling.

The festival provided practical experience in event planning, coordination, time management, and teamwork. The participation of students and the support received from the college community contributed to making **CINEVERSE** a meaningful extracurricular initiative.

Conclusion

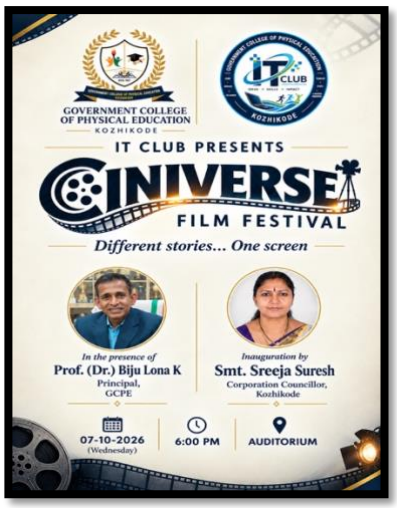

CINEVERSE Film Festival 2026 was a successful initiative that brought students together through cinema while promoting teamwork, creativity, and student participation. The combined efforts of the IT Club members,College security staff, teachers, sponsors, and students contributed to the smooth conduct of the festival. The organisers express their sincere gratitude to everyone who supported the programme.

Overall, **CINEVERSE** was more than just a series of movie screenings; it was a memorable experience of collaboration, learning, and togetherness. The success of the festival reflects the dedication and collective spirit of everyone involved, setting a positive example for future initiatives and inspiring the IT Club to organise even more engaging and impactful programmes in the years to come.
